Dear Sirs:

I have just received the attached memorandum relative to FBIS relations with BBC and the British Foreign Office. I believe that they are self-explanatory if you have a copy of Operations Memorandum #12, CIG, 15 July 1947. Case has informed me that you took a copy of this memorandum along with you to London.

You will note that any correspondence on this subject which is not signed by the Director requires his office to be furnished an information copy. [ ] has agreed that FBIS will be the office of record for the Office of Operations. Hence, it will be necessary in such cases to forward at least two copies of this correspondence to us here in Washington.

25X1

Sincerely,

L. E. WHITE
